Signs

Support for all products and services

## Corporate Values

It is the belief of this Company that the Corporate Values, by which it operates, is the foundation of the business and is the roots by which the business grows and bears fruit.

### THEREFORE ...

Of all the transactions and of all the things we think, say and/or do with our vendors, our customers and ourselves the following values, known as the four-way Rotary test must be affirmed:

IS IT THE TRUTH

IS IT FAIR TO ALL CONCERNED

WILL IT BUILD GOODWILL AND BETTER FRIENDSHIP

WILL IT BE BENEFICIAL TO ALL CONCERNED.

# Now Serving the Nation

## Superstore Locations

## McGee Cadd Your Local RSA Superstore

### What is an RSA Super Store?

The RSA Super Store is a chain of stores operated by stockholders of the Reprographics Services Association, a cooperative business entity incorporated in Washington, DC. Presently the corporation consists of over 160 leading design support locations with over 3000 employees and net annual sales exceeding 300 million dollars. Strict guide lines, including financial, technical and ethical standards are required and must be approved by the corporation before a dealer can be a member of the RSA Super Store Team. The integrity of RSA dealers is reinforced by the RSA Corporation. Through RSA Corporate meetings with manufacturer's R & D staff, RSA dealers are abreast of the latest technology to support the design profession. RSA dealers offer their clients solutions to problems congruent with the technologies of today and tomorrow.

### Why An RSA Super Store?

#### Superior Quality Product

RSA Super Stores provide direct outlets for the RSA product line. RSA Dealers also represent the major product lines and name brands of the industry.

#### Competitive Pricing

Through the combined purchasing capacity of the nation wide RSA network.

#### Increased Manufacturing Support

Manufacturers recognize the RSA as a major account.

#### Total Production Support

Through the network of other RSA dealers, customers have access to most available types of reproduction and support services.

#### Current Technology

Because of meetings with R & D staff, RSA clients are assured their needs are supported by the most current products and technology.

**Solvency:** RSA clients need not be concerned whether their project support will be available through the entirety of their project. RSA dealers have met strict financial standards required to be part of the RSA team.

**Networking:** Clients patronizing RSA dealers have the ability to send, via Internet, their drawings to most major cities on the east coast in a matter of minutes.

# PROJECT Your Best Image

## KIP 7170 *Top Seller!*

- Output of up to 6 "D" size prints per minute
- 600 x 2400 dpi resolution for sharp image detail, clean fine lines and legible text
- Four stacking configurations to suit any wide-format printing environment
- On-board touch-screen control to view, scale, organize and print file sets
- Built-in print management software to view printer status and drivers
- Integrated USB port makes it easy to view and print documents stored on USB flash memory devices
- Full integration with Skydrive, Google Drive or Dropbox, Box.com, Microsoft Sharepoint & Microsoft Office 365 Online™

## KIP 7770/7970

- 3,240 sq. ft. per hour
- 9 "D" size prints per minute
- 600 x 2,400 dpi print resolution
- Cut-sheet bypass feeder
- The wide format printer includes an integrated cut-sheet bypass feeder
- Two quick-change media decks featuring 4 500-foot roll capacity
- Large color touch-screen with on-screen user manuals
- Versatile print/copy/scan and network configurations let you built a cost-effective system for your specific needs

## KIP 9900

- True 600 x 600 dpi resolution
- Digital Copier + Network Printer + Scanning System
- 22 'D' size prints per minute
- 2, 4 or 6 roll media capacity
- Ultra fast file processing & conversion times
- AutoCAD and Microsoft Certified Application Drivers
- Touch screen operator panel provides easy accessibility
- 100% toner efficient operation with KIP Award winning HDP Plus Technology
- Fully integrated multifunctional design for all configurations
- Small footprint allows for placement virtually anywhere

## KIP 7800

- High-speed wide format print output of 4,200 sq. ft. per hour in B&W, 3,500 sq. ft. per hour in color
- Unique LED printing design with four LED imaging heads for outstanding 600 x 2,400 dpi resolution
- Pixel-perfect copy and scan with true 600 x 600 dpi optical resolution via an integrated KIP scanner
- Three integrated auto-loading media roll drawers provide ultra-fast switching between rolls for collated sets of varying sizes or media types
- Large color touch-screen gives you immediate access to all major system functions and makes operating the KIP 7800 wide-format color printer simple, even for untrained personnel
- Integrated stacking system gives you a convenient place to stack multiple prints
- Automated folding and finishing system combines several functions in one unit

# Equipment Cost/ Copy Solution

## Quality Service

*Different Plans for Different Needs!*

**KIP Printer/Scanner**

### **Manned McGee On-Site Reprographic Equipment Plan**

Includes McGee Cadd employee, equipment, media toner, developer and maintenance.

- One monthly fee eliminates multiple order hassle and reduces administrative cost.
- Close monitoring of usage, preventative maintenance and needs by McGee Cadd.
- Upgrade as volume requirement increases.

### **M.O.R.E. Plan**

Includes equipment, media, toner, developer and maintenance.

- One monthly fee eliminates multiple order hassle and reduces administrative cost.
- Close monitoring of usage, preventative maintenance and needs by McGee Cadd.
- Upgrade as volume requirement increases.

### **Full Service Maintenance Agreement Plan**

Includes full service, media, toner and developer.

- One monthly fee eliminates multiple order hassle and reduces administrative cost.
- Close monitoring of usage, preventative maintenance and needs by McGee Cadd.
- Upgrade as volume requirement increases.

### **Flexible M.O.R.E Plan**

Modified to meet your specific needs.

- Refurbished equipment under shorter term
- Your equipment with FSMA and consumable only
- Upgrade programs as your requirements increase.
  - Adapt to your specific needs

**Canon 24" or 36" Plan Printer**

**ALL-IN-ONE CENTER**

**Canon Inkjet Printer/Computer/Scanner**

# EQUIPMENT SERVICE

*Dedicated Factory-Trained Service Technicians*

**Multifunction Engineer Copy  
Equipment Repair**

**Survey Instruments, Laser  
Repair & Calibration**

**HP & Canon Plotter Repair**

## Canon and Hewlett Packard Plotters and Printers

Need repair or maintenance service on your plotting equipment? Or factory-trained service personnel eagerly await the opportunity to assist you in getting your equipment operating. Downtime means no production and we are most aware of this fact. Consequently, we offer service contracts on all makes and models of Hewlett Packard Plotters, Océ' and KIP Equipment.

## Laser/Survey Instrument Repair/Calibration

Our factory-trained survey instrument technicians, supported by a Digital Collimation System, can assist you with needed calibration and/or repair of most instruments. This particular department prides itself on the accuracy and prompt service time of adjusting and calibrating your instruments. You can depend on our instrument technicians to get you quickly back in the field.

## Engineering Copiers KIP, Xerox and OCE'

Maintenance service for the sophisticated plain paper copiers is available through our authorized service department. For your convenience, we offer annual service agreements or service by the hour. Our courteous staff of service technicians will respond to your service needs usually within hours.

## Miscellaneous Equipment Service

Equipment repair is available for most product lines offered by the RSA network from electric erasing machines, drafting machines, furniture, automatic lettering machines, blue line machines to the complex technologies of modern digital equipment, your RSA dealer stands ready to get your equipment working.

Black	3/16 in. thick	176750	48" x 96"	\$46.29	\$39.35

1/2 in. thickness available on special order.

Custom cuts: \$1.00 per cut

**PVC Board**

- Rigid, foamed, closed-cell polyvinyl chloride that can be used for limitless applications
- Great versatility and durability for fabricating
- Lightweight and easy to work with

Color	Description	Item Number	Sheet Size	Retail Each	6/Cartron Each	25/Case Each
White	6 MM	110500	48" x 96"	\$88.38	\$75.12	\$66.29

Colors other than white and other thicknesses are special order items.

Custom cuts: \$2.00 per cut

**GatorFoam**

- Used to mount photographs as well as other media
- Consists of polystyrene foam bonded on both sides with fibers providing durability as well as moisture resistance
- Available in 3/16, 3/8, 1/2, 3/4, 1 and 1 1/2 thickness

Color	Description	Item Number	Sheet Size	Retail Each	25/Case Each
White	3/16 in. thick	110371	48" x 96"	\$75.00	\$60.00
Black	3/16 in. thick	110358	48" x 96"	\$80.00	\$64.00

Custom cuts: \$2.00 per cut

**Ready to Permanent Mount White Foam Board**

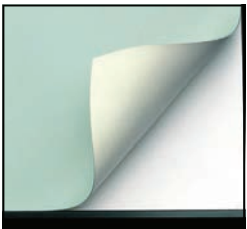

- Peel back the easy-release protective liner to reveal the pressure-sensitive adhesive, then position artwork, press
- Features a high tack adhesive specially formulated to mount heavy posters, large maps, architectural drawings, photographic papers and more! 3/16 in. thick

Description	Item Number	Sheet Size	Retail Each	6/Cartron Each	25/Case Each
3/16 in. thick	90176	24" x 36"	\$17.89	\$13.42	\$9.94
3/16 in. thick	90896	30" x 42"	\$34.27	\$25.70	\$19.04

Custom cuts: \$1.00 per cut

**Board Cover**

- Stain-resistant working surface for all drawing boards
- Compass points, hard impressions and tacks will not destroy this material
- Easy to clean with a damp cloth or sponge

The screenshot shows the website's search page. At the top, it says "CarolinasPlanRoom.com". Below that is a search box with the text "Search for Contractors, Suppliers, Architects & Engineers" and a subtext "using any combination of search criteria below." There are input fields for "Company Name:" and "Keyword(s):".

On the left side, there is a navigation menu with categories like "Trades Directory", "Public Projects", "Private Projects", "Project Administrators", "Administration", "Home", "Quickstart", "Slideshow", "FAQs & Discussion", and "Contact Administrator".

The main content area features a map of the Carolinas region with various counties highlighted in different colors. Below the map is a list of cities: Asheville, Charlotte, Cherokee, Columbia, Greenville, Jacksonville, Winston-Salem, and Wilmington.

Below the map is a search filter section with the text "Selected trades will be targeted. Leave blank to indicate 'ANY'". It includes checkboxes for "General Contractor", "Architectural Firm", and "Engineering Firm". There are also filters for "Revenue Limit" (\$500,000 Limit, \$1,000,000 Limit, Unlimited) and "Specialty" (a long list of construction trades).

At the bottom of the search area, there are buttons for "Cancel", "Search", and "Manage TRADES List".

## Many Locations to Serve You

- The electronic service that allows for the distribution of project information to an endless number of people. Inside CarolinasPlanRoom.com, a user can view drawings, specification manuals and addenda or other pertinent information with the click of a mouse.
- A powerful tool, providing you the opportunity to utilize the power of the internet to share and manage all of your plan and project information. It can help you maintain control, streamline your projects, avoid costly mistakes, missed deadlines, and securely share information. It provides an easy, cost effective way for you to print and distribute your projects.
- Allows users fast and easy access to project information by simply logging on to the service and highlighting the jobs they want to see. Contractors can obtain up to the minute information on job revisions, specifications changes along with up-dates on any scheduling delays.
- Project information is available 24 hours a day, 7 days a week. With a click of the mouse, users can review the job plans and specifications to determine whether they want to place a bid or not.
- Jobs are divided into two sections: public and private. Public jobs are available and accessible for anyone to view while private jobs are only accessible with an assigned password from the architectural firm, general contractor or the construction manager.

Companies posting documents have complete control as to content, distribution, invoicing and also have the option to post changes to the project at any time.
